LOCATION

Clearwater Christian College is located just 12 uninterrupted minutes from the Tampa International Airport. That's right, a quick 7½-mile drive on Courtney Campbell Causeway across Old Tampa Bay will bring you to beautiful Clearwater Christian College. Just 15 minutes from downtown Tampa, 20 minutes from St. Petersburg, and 5 minutes from the city of Clearwater proper, the college commands a magnificent view of upper Tampa Bay.

The greater Tampa/St. Petersburg/Clearwater area is halfway down the western coast of Florida. Would it help to say that we are approximately one hour west of Disney World? The college's street address is 3400 Gulf-to-Bay Boulevard. Yes, you guessed it. Gulf-to-Bay Boulevard really does extend from Old Tampa Bay on the east to where the city of Clearwater facing west commands a picture window view across Clearwater Harbor and the Gulf of Mexico.

Clearwater is a thriving year-round vacation and industrial city of approximately 90,000 people. The city is clean and sparkling, a friendly city, and is within a pleasant drive of the many fine attractions of the Suncoast and Central Florida. Of course, thousands of people find Clearwater the ideal vacation base. However, if you live outside of the State of Florida, you might be interested in knowing how long it would take you to fly to and from Clearwater Christian College. As you can see below, regardless of where you live in the United States, you can study in the sun and yet be only minutes from home and family.

Atlanta	1 hour	Detroit	2½ hours
Bahamas	1¼ hours	Kansas City	2½ hours
Boston	2½ hours	Memphis	1½ hours
Chicago	2½ hours	New York	2 hours
Cincinnati	1¾ hours	Philadelphia	2 hours
Dallas	2½ hours	St. Louis	2 hours
Denver	3½ hours		

The college maintains four apartments that are available at minimal cost for parents of students and friends of the college who wish to visit during the school year. Why not bring the family and visit Clearwater Christian College and the surrounding area? Come and consider whether or not God would have you acquire your college education on the Suncoast of Florida.

a message from the president

Clearwater Christian College is a college with a purpose. It is a college with a commission from the Lord. It is a college which is truly Biblical and truly American, dedicated to propagating and conserving the historic Christian faith and the conservative ideals that made our nation great.

The liberal arts education provided at Clearwater Christian College is founded upon and constantly tested by God's Holy, inerrant Word — the Bible. We believe that an understanding of God's special revelation is absolutely essential to valid knowledge of His creation. *"The fear of the Lord is the beginning of knowledge"* (Proverbs 1:7).

At Clearwater Christian College we stress academic excellence since our desire is that our graduates be effective witnesses for the Lord at every level of life, including the sciences, the professions, educations, etc. We regard so-called secular fields of work not as secular at all, but as fields for witness and service. Every graduate from Clearwater Christian College should be a soul-winner. The basic solution to the basic problems in our nation and in our world is *"the Lamb of God that taketh away the sin of the world"* (John 1:29).

Clearwater Christian College, in addition to its standard of academic excellence and its Biblical foundation, maintains an uncompromising stand against worldly sins and the apostasy and liberal forces that are undermining our American heritage.

We urge everyone to pray for Clearwater Christian College and support it financially.

"Through thy precepts I get understanding; therefore, I hate every false way" (Psalms 119:104).

HISTORY OF THE COLLEGE

Clearwater Christian College began with a burden in the hearts of the founders of the college concerning the trends in evangelical colleges away from Biblical standards of morality and from the historic Biblical fundamentals, as well as a growing casual attitude toward doctrine, together with a lack of emphasis on personal soul-winning. The founders were also burdened about the general apathy in Christian colleges toward unbelief as expressed in such activities as the ecumenical movement, new evangelicalism, and ecumenical evangelism.

In July of 1965, the possibility of establishing a Christian college on the West Coast of Florida came closer to reality after an exploratory trip to Florida by Dr. Arthur E. Steele. This was followed by a year of calling on churches in the area, studying and surveying the possibilities of and the need for a Christian college. The area appeared to be ideal because of the great number of fundamental churches, opportunities for student Christian service, employment, and graduate study. Dr. Steele then moved his family to this area. Many friends made themselves available to help in the founding of this college. Through church contacts, the Lord supplied the architect, the general contractor, the building superintendent, and the owner of the land. The college acquired 50 beautiful waterfront acres located on the main highway, Route 60, between Tampa and Clearwater. The college campus stands at the entrance to the City of Clearwater approaching from the East.

The Lord's hand was evidenced in every phase of the beginning of the college. The college was incorporated on January 18, 1966. In April of 1966, the I.R.S. approved the college as a tax-deductible institution.

The Lord marvelously supplied both funds and financing. Construction began on the first two buildings in the summer of 1966, with completion at the end of the year. The Clearwater Bible Church graciously invited the college to begin classes in its buildings until the college buildings were completed.

On September 17, 1966, fifteen students enrolled as the first class of Clearwater Christian College. The Lord miraculously supplied funds, friends, faculty, facilities, and a promising student body. The great enthusiasm and sense of expectancy during that first year has continued through the years of the college's history. The growth of the college has been sound and steady spiritually, academically, and financially. The most significant growth, however, has been the spiritual development of the young people who have received their education at Clearwater.

The library building was completed in April of 1970. The new multi-purpose building which houses the men's dormitory on the east was completed in October of 1974, and the auditorium and gymnasium, which occupies the west portion, was completed in 1978.

The college maintains high standards academically, spiritually, and morally; but beyond these, the college sees a real need to train students to understand the vital issues in the religious world. We believe that it is not enough for students to receive academic and Bible training and to be proficient in Christian witnessing, excellent as these goals are. We feel that it is vital that they understand the subtleties of Satan and his objectives and methods as they are expressed today in so many ways. Some of these are the casual attitudes toward the translations of the Bible, toward music and toward personal standards.

The college began in the will of the Lord through much prayer, and will continue to operate, seeking the Lord's guidance and the Lord's provision.

DOCTRINAL BASIS

As stated in the Constitution

We believe and maintain the following:

- a. The Plenary Divine inspiration of the Scriptures in the original languages, their consequent inerrancy and infallibility and as the Word of God, their supreme and final authority in faith and life.
- b. The triune God: Father, Son, and Holy Spirit.
- c. The essential, absolute, eternal Deity, and the real and proper, but sinless, humanity of our Lord Jesus Christ.
- d. His birth of the virgin Mary.
- e. His substitutionary, expiatory death, in that He gave His life "a ransom for many."
- f. His resurrection from among the dead in the same body in which He was crucified and the imminent and premillennial bodily return of Jesus Christ in glory to this earth.
- g. The total depravity of man through the fall.
- h. Salvation, the effect of regeneration by the Spirit and the Word, not by works but by grace through faith.
- i. The everlasting bliss of the saved, and the everlasting suffering of the lost.
- j. The real spiritual unity in Christ of all redeemed by His precious blood.
- k. The necessity of maintaining, according to the Word of God, the purity of the Church in doctrine and life.

PURPOSE

The purpose of this college is to train students for Christian leadership. To accomplish this goal, the college believes that academic excellence is demanded by the Holy Scriptures and should lead to an effective Christian witness. It is desired that through this liberal arts college, conservative and fundamental principles based on the authoritative and inerrant Word of God might be transmitted to this world by our students and graduates in their ministries.

OBJECTIVES

Clearwater Christian College is dedicated to assisting each student in:

1. Desiring to know God, His attributes, and His attitude toward sin.
2. Seeing himself as God sees him and personally appropriating God's plan of redemption and victorious Christian living.
3. Understanding the strategy of Satan in opposing God's plan and work.
4. Understanding scriptural teaching concerning ecclesiastical separation from apostasy and false religious cults.
5. Understanding the Biblical account of special creation and answering non-Biblical theories of the origin of man and the universe.
6. Recognizing his responsibility to witness to others concerning their need for personal salvation.
7. Developing his character through the application of scriptural work and study habits and through understanding moral and social standards.
8. Growing in cultural appreciation.
9. Acquiring skills in scholarship and communication.
10. Meeting the requirements for an undergraduate degree and laying the foundation for graduate studies.
11. Gaining insight and understanding of the conservative ideals which have made our nation great and which have provided the framework for its freedom.

student
life

Christian Service

There will be continuous stress on evangelism and personal soul-winning while the student is at Clearwater. The student will be reminded frequently that the areas of his life's work are in fact his mission fields. It is the prayer of the board and the faculty that many students will feel led to the pastorate or the foreign mission field while at the college. The Christian student must realize that the primary mission, wherever the Lord leads, is to witness to the saving knowledge of Jesus Christ. We are His ambassadors.

To help to stimulate such an outreach, Clearwater Christian College arranges and sponsors various Christian Service assignments in the surrounding communities. Each student is required to participate in some activity during each semester at the college. There are opportunities for youth work, Bible clubs, Sunday school work, music, visitation, tract distribution, preaching services, beach evangelism, and weekend visitation. There are opportunities for gospel teams in nearby missions, nursing homes, trailer parks, and churches. In addition, there are many excellent, fundamental churches in the Clearwater/Tampa/St. Petersburg area which offer Christian Service opportunities.

Extracurricular Activities

Students are encouraged to participate in extracurricular activities for their own development — mentally, socially, and physically. The Athletic Director encourages participation in intramural sports in addition to the regular athletic program within the league of Christian colleges in the area. The Dean of Students seeks to stimulate and encourage student participation in the social activities of the college. Most of the student activities are student-organized, under faculty guidance. Procedures for formation and operation of student organizations and activities are detailed in the Student Handbook.

Health Services

A physical examination is required of all new students prior to enrollment. The college provides a medical form to be used by the student and his physician.

Clearwater Christian College cannot accept the responsibility for illnesses or accidents on or off campus or in sporting activities. Students use college facilities and participate in college-related activities at their own risk. Mrs. Jean Macfarlane acts as nurse on call, and Dr. Jean Bennet is available to treat our women students. Dr. Robert Jackson is available to treat our men students.

Intercollegiate Sports

Clearwater Christian College competes with other Christian colleges in basketball, soccer, and other sports. Both men and women students who wish

to play varsity sports while in college will find that Clearwater Christian College is the place to come.

Local Church Attendance

C.C.C. requires every student to faithfully attend and support one of the fundamental, Bible-believing churches in our area. These are real, independent churches with godly, separated pastors. Students are free to choose the church of their choice within the boundaries stated above, but are required to verify their attendance. In short, Clearwater Christian College doesn't play "church"!

Student Vehicles

Students may bring their vehicles to Clearwater Christian College. However, all vehicles must be registered at the beginning of each semester and are subject to student handbook regulations regarding student vehicles.

Standards of Conduct

At Clearwater Christian College we seek to maintain a balance between personal Christian liberty and the protection of this institution's corporate testimony. It is an interesting problem. You see, we encourage young people to be individually responsible for their testimony, their spiritual growth, and their personal Christian standards. At the same time, this Christian college must employ enough scriptural restraints and rules and regulations to maintain its corporate testimony. Students who voluntarily associate themselves with this institution must understand that their deportment not only reflects on themselves but also on this institution. Any student whose personal conduct fails to agree with the standards of conduct of the college will first be spiritually counseled. However, the college reserves the right to discipline, dismiss, or refuse to re-admit any student whose conduct and/or attitude is not consistent with the Christian spirit and standards which Clearwater Christian College seeks to maintain.

Chapel

The daily chapels are an important part of the college program. Students participate in the musical portions of these services, with the President of the college and members of the faculty presenting Bible messages that bear on the issues and concerns of the day. The college is also fortunate in being able to invite to chapel capable and spiritual area pastors as well as visiting evangelists and Bible conference speakers.

The Chapel period on Mondays is devoted to prayer and students testimonies. Chapel attendance is required. A mid-week prayer service is also conducted by the students.

Residence Halls

Accommodations for students are provided on campus in separate, modern, well-equipped women's and men's residence halls. Four apartments for dorm parents are located in the women's residence and two apartments for dorm parents in the men's residence.

All students under the age of 25 are required to live on campus unless they are married or live with their parents, grandparents or guardians. In the event that space is not available in the student residence, outside housing may be arranged by upperclassmen with permission.

The women's residence employs a unique design for family-style living. Each unit has a carpeted living room and tiled bath. Four bedrooms, each with bureaus, desks and closets, and beds are contained in each air-conditioned unit.

The bedrooms are provided with a window shade and window rods for drapes and curtains. The students and their roommates are required to furnish drapes or curtains and bedspreads for the room. Small rugs may be brought if desired. Students should also bring a desk lamp, blankets, and a pillow.

A pre-registration room deposit, which is applied against rental, is necessary. This should be paid as soon after acceptance as possible, but not later than August 15th for the fall semester or December 5th for the spring semester. Rooms not occupied by the day of registration will be reassigned, and the deposit will be forfeited.

The college has no accommodations for married students at the present. The admissions office will assist in obtaining off-campus housing if requested.

Linens — consisting of single bed sheets, pillow cases, bath towels, and washcloths — must be furnished by the student planning to live in the dormitory. A coin-operated laundry is available for the washing of student clothing and linens.

Students are permitted to live in residence halls only after agreeing to the provisions governing dormitory living as stated in the Student Handbook.

The Administration Building

Dambach Hall was designed to house the administrative offices of the college, the chapel, cafeteria, science laboratory, and classrooms. The college looks forward to the day when funds will be available to construct a cafeteria/student union building on the campus waterfront.

The College Library

The modern and well-equipped library was dedicated April, 1970, and was designed to house 50,000 volumes. The library currently houses over 27,000 volumes and receives 125 periodicals regularly. The library was built with careful attention to standards for lighting, seating area, and space for stacks and periodicals. Books are catalogued according to the Library of Congress system. In addition, the library houses several large classrooms, one of which is particularly suited for film projection. A photographic darkroom for use by the yearbook staff is also located in the library.

Gymnasium

A new multi-purpose building has been completed. The west wing consists of a gymnasium and physical education facility and is considered to have one of the largest hardwood gym floors in our area.

academic information

ADMISSIONS

Requirements

Any student who has received a high school diploma or a high school equivalency diploma or has obtained satisfactory scores on the General Educational Development Test may be considered for admission.

A high school transcript of every applicant must be secured by the college. Transfer students must see that all records of previous college work are forwarded directly to Clearwater Christian College from the institution.

The American College Test (ACT) or Scholastic Aptitude Test (SAT) is required of all freshman applicants. Transfer students above the freshman level are not required to take these entrance exams. If these particular tests were not offered in your high school, prospective students may secure information about times and places of testing from either the American College Testing Program, Inc., Box 168, Iowa City, Iowa 52240 or College Board Admissions Testing Program, Box 592, Princeton, New Jersey 08540.

An applicant with less than a "C" average for all high school work completed and/or other deficiencies in his entrance requirements may still be admitted if approved by the Director of Admissions to enter with a limited academic load. However, deficiencies must be removed before the student may register for his sophomore year.

Admissions Procedure

Regardless of whether you are a first-time student, a transfer student, or a Bible college transfer student, you must complete the following steps in order to enroll at Clearwater Christian College:

1. Request from the Office of Admissions, Clearwater Christian College, 3400 Gulf-to-Bay Blvd., Clearwater, Florida 33519, an application form and all other materials necessary for your application process.
2. Complete the application form in full and return it with the \$15 non-refundable applicable fee.
3. Request your pastor/principal to complete the Pastor's Recommendation form and send it directly to the Office of Admissions at the above address.
4. Request that the high school from which you graduated and any college you attended send a copy of your transcript to the Director of Admissions at the above address.
5. Submit your scores received on the ACT or SAT tests to the Office of Admissions. Remember, your high school counselor or principal may

be able to help you with submitting your scores, or you may have these scores sent directly from the headquarters of these testing agencies.

6. Have any additional test scores (achievement, aptitude, etc.) sent to the Office of Admissions to supplement the previous information.
7. Send a medical report on the appropriate form to the Director of Admissions. The form must be completed by a medical doctor.
8. The matriculation fee of \$60 must be received before July 15. After July 15, the fee will be \$75 and must be received before the admissions procedure can be complete.
9. Dormitory students are required to send a \$25 room reservation deposit to the Office of Admissions by August 15.
10. The orientation fee of \$25 is to be paid upon arrival at the college during the first day of orientation.

Provisional acceptance will be granted upon receipt of a prospective student's application, assuming that the applicant's Christian testimony is in order. Official and final acceptance cannot be achieved until all the above items have been satisfactorily completed. May we encourage you to be diligent in following the directions above.

After receiving notification of acceptance, you will be asked to inform the college as to your intention to complete registration. Your matriculation fee of \$60 must be paid by July 15 for the fall semester or by December 1 for the spring semester. Students are required to bring the orientation fee during the first day of orientation. Of course, dorm students must send in their room reservation deposit to the Office of Admissions by August 15 for the fall semester or by December 5 for the spring semester. Your medical form must also be completed prior to enrollment. If you have questions about any of these steps, procedures, or requirements, don't be alarmed or concerned. Just call or write to the Office of Admissions, and we will be more than happy to assist you.

Admission of Transfer Students

Transfer applicants who are in good standing with the institution previously attended will be considered for admission. Standard admission procedure as specified above for high school graduates should be followed. Transfer students are also required to submit official transcripts from every post-secondary institution which has been attended. Credits will not be transferred for courses in which a grade lower than C has been recorded. Credits for courses taken at non-accredited institutions may be granted provisional transfer credit until validated by at least one semester of satisfactory work at Clearwater Christian College.

Transfer students may be permitted by the Academic Dean to substitute electives (to be taken at Clearwater Christian College) for certain required courses, if such material has already been sufficiently covered in a course taken at a previous institution.

MATRICULATION

Registration

Registration is held at the beginning of each semester, during which time the student is expected to choose his courses and properly arrange his class schedule with the approval and aid of his faculty advisor. In order to complete registration and receive class admittance cards, each student must remit full payment for tuition, room, board and fees, or have made the first installment as shown under General Financial Information.

Academic Load

Minimum academic load for full-time students is 12 credit hours. Students desiring to register for credits in excess of 17 credit hours must obtain approval from the Academic Dean or Registrar. Students should seek to maintain a balance between extra-curricular activities (athletics, work hours, etc.) and academic pursuits. If there is evidence that such a balance does not exist, the student may be required to limit his academic load to 12 hours, and /or withdraw from excessive extra-curricular responsibilities (see academic probation).

Late Course Additions

Students who desire to add a course to their class schedule after registration may do so with permission of the Academic Dean or Registrar within the time prescribed in the college calendar.

Late Registration

New students enrolling in Clearwater Christian College who are late registrants will be subject to the late registration fee. Returning students are required to be present on registration day unless granted prior written permission. No student will be permitted to register later than the date prescribed in the college calendar.

Withdrawal from a Course

A student who wishes to withdraw from a course must complete the proper form received from the Registrar. A designation of W ("withdrawn") will be recorded on the student's record regardless of grade level if such withdrawal occurs before the mid-term warning date. If the withdrawal occurs after the mid-term warning date, a grade of WP ("withdraw passing") will be recorded if work has been satisfactory, and a grade of WF ("withdrawn failing") will be recorded on the student's record if work has been unsatisfactory. In either case, the grade will be based upon the instructor's evaluation of the student's per-

formance. When a WF is assigned, a grade of F is figured in the student's grade point average.

Courses which are dropped before the last day for registration as stated in the college calendar will not be recorded.

Withdrawal from the College

A student who wishes to withdraw from the college must complete the proper form received from the Registrar. A statement of reasons for the withdrawal must be submitted in writing by the student and signed by the Academic Dean and Business Manager. Students who withdraw without prior administrative approval or who are dismissed for disciplinary reasons will automatically receive the grade WF in all courses and will forfeit financial refund. The effective date of withdrawal shall be the date signatures are affixed by college officials. Calculation of any refunds due is based on that date. For information concerning refunds see General Financial Information.

Early Out

"Early out" is an option for students enrolled in the general education courses. After the first two weeks of classes the student may ask the instructor for an *early out* examination. If he scores above the 90 percentile, he would receive an A or B grade for the course; however, if he scores below the 90 percentile, he would remain in the course. The *early out* option is not available to V.A. students.

Class Attendance

If a student is away from campus on official school business representing the college, he should fill out a sanctioned absence form prior to leaving campus.

For all absences, with the exception of sanctioned absences, a student is counted absent no matter how valid and legitimate his reason may be. All instructors keep a record of all absences from their classes. All absences are reported to the Appeals Committee through the Dean of Students' office. Penalty points are assigned for all unexcused absences by the Appeals Committee. The Appeals Committee recommends to the Registrar that the student be dropped from the class with loss of credit if the classes missed total 25 percent of the total class meetings and receive a grade of "WF" if failing or "WP" if the 25 percent absences are excused and the student is making passing grades.

Under no circumstances may the student be granted credit in a course if he has missed more than 25 percent of his classes. The 25 percent ruling

converted to days is as follows:

Classes meeting once a week	3 absences
Classes meeting twice a week	5 absences
Classes meeting three times a week	11 absences
Classes meeting four times a week	15 absences

Regular and punctual attendance in all classes is expected. Three tardies will also equal one absence in the 25 percent absences. When the tardies and absences reach 25 percent in any given course, a grade of "WF" or "WP" will be received for that course.

Chapel services are also required for all students. Exceptions must be approved by the Dean of Students' office. (See student handbook for particulars.)

Graduation Activities

All students of Clearwater Christian College are required to attend the annual Baccalaureate and Commencement services of the college to honor graduating seniors.

Testing Program

In order to provide a yardstick for comparison of academic ability of the students among themselves and with students of other colleges and universities, as well as to provide a measurement of progress made during the college career, the following testing program will be employed at Clearwater Christian College.

1. The Survey of College Achievement (SCA) will be administered during orientation to all freshman and transfer students and again in the spring of the sophomore year.
2. Junior English and Math Examination must be taken by all sophomores before junior status will be awarded and must be passed before a student may graduate.
3. The Graduate Record Examination (GRE) Aptitude Test is required of all seniors early in the second semester of the senior year.

Major Programs

Clearwater Christian College offers the associate and baccalaureate degrees after the completion of the graduation requirements listed in this catalog. The college programs leading to the Bachelor of Arts Degree or the Bachelor of Science Degree normally require four years of college study. The Associate of Science Degree normally requires two years of college study.

A student may receive the Bachelor of Arts Degree upon the successful completion of departmental requirements in the area of Bible, Biblical Litera-

ture, English, History, Social Studies, Elementary or Secondary Education, Psychology, Music, and Missions.

The Bachelor of Science Degree is awarded to students who successfully complete departmental requirements in the areas of Elementary Education, Secondary Education, Physical Education, Humanities, and Business Administration.

The college offers the Associate of Science Degree in its two year career oriented programs. The A.S. degree is granted to students who successfully complete departmental requirements in the areas of Police Administration, Teacher-Aide or Pre-school Programs, and Secretarial Science.

Correspondence Credit

A total of ten credits may be accepted to meet degree requirements. All such courses must be approved in advance by the Academic Dean or Registrar. The Academic Affairs Committee reserves the right to approve all correspondence courses accepted for credit in the Department of Bible.

Student Records

All student records are kept in the Registrar's office. Courses taken and grades received are permanently recorded on the students' transcripts after the final grades have been received from the instructor each semester. The student is then notified of the grades received. Students may request a transcript of their grades at any time.

ACADEMIC STANDING

System of Grades and Credits

Courses completed satisfactorily are applied toward the graduation requirements on the basis of credit hours. One credit, or one credit hour, represents fifty minutes of class instruction per week for one semester. One semester consists of fourteen weeks of instruction including examinations.

The student's work is evaluated in terms of a letter grade which is translated into quality points for the tabulation of a cumulative average as follows:

- A — Excellent. 4 quality points. Indicates superior achievement in every aspect of course work-mastery of materials presented, initiative in research, and insight into the total perspective.
- B — Good. 3 quality points. Indicates above average achievement and good grasp of course content.
- C — Satisfactory. 2 quality points. Indicates average achievement and good grasp of course content.

- D— Unsatisfactory but passing. 1 quality point. Indicates minimal effort and lack of understanding and insight expected from a student on the college level. This grade will not be accepted for courses in the student's major field.
- F— Failure. 0 quality points.
- WF— Withdrawn failing. 0 quality points. Indicates withdrawal from a course after the mid-term warning date by a student doing unsatisfactory work based upon instructor's evaluation, or a course in which a student is dropped by action of the faculty.
- WP— Withdrawn passing. Indicates withdrawal from a course after the mid-term warning date. Proper permission must be satisfactory based upon instructor's evaluation. This grade is not included in the grade point average.
- P— Passing. Indicates passing work in certain non-academic courses. This grade is not included in the grade point average.
- W— Withdrawn. Indicates withdrawal from a course before the mid-term warning date and with proper permission. This grade is not included in the grade point average.
- Inc.— Incomplete. Indicates that the student has presented valid reasons for incomplete course work. Necessary work must be made up within time specified by the instructor (maximum time is one semester) or a grade of F will be given automatically.

Probation

ACADEMIC

A student may be placed on academic probation at the end of any semester for which his grade point average has fallen below 2.00. A student is required to rectify his probationary status by the end of the following semester. A student whose grade point average has not risen to 2.00 or better within two semesters will be subject to dismissal from the college. The course load will be restricted during this time to 14 hours.

If a student has been dismissed because he failed to raise his grade point average to a 2.00 within one academic year, he will not be allowed to re-enroll for one semester.

DISCIPLINARY

A student who repeatedly evidences behavior which is not in harmony with the Scriptural ideals of the college and whose personal conduct is a poor testimony for Christ may be placed on disciplinary probation for a period of time determined by the Dean of Students or the Discipline Committee. In cases of serious misconduct, disciplinary suspension or dismissal may result.

Restrictions

A student on academic or disciplinary probation will not be permitted to participate in extra-curricular activities including sports, hold student office, or be part of activities in which the college is officially represented. This restriction does not necessarily apply to Christian service activities.

Academic Classification of Students

FRESHMAN—At least 15 acceptable units of high school credit, or equivalent.

SOPHOMORE—First semester, at least 26 credit hours. Second semester, at least 42 credit hours.

JUNIOR—First semester, at least 58 credit hours. Second semester at least 74 credit hours.

SENIOR—First semester, at least 90 credit hours with reasonable assurance of completion of graduation requirements by the following August. Second semester, at least 106 credit hours.

SPECIAL—A student who may be permitted to register for classes for various reasons but who is not a candidate for graduation. He is subject to the same restrictions as is the student on probation.

Graduation Honors

Students having earned a grade point average of 3.50 or better may be graduated with one of the following honors:

cum laude	3.50-3.74
magna cum laude	3.75-3.89
summa cum laude	3.90-4.00

The Dean's List

The Dean's List Award is a scholastic honor given each semester to those full-time students who have earned a grade point average of 3.50 or better during the previous semester.

Seniors who have received the Dean's List Award continuously since their freshman year, may be permitted to carry a total of six credit hours of independent study in their major field in lieu of regular courses, but not in material covered by regular courses in those fields.

Seniors who have been on the Dean's List continuously since their freshman year may be excused, with the approval of the professors involved, from second semester final examinations in their major fields.

Requirements for graduation

Full-time students with normal course loads should expect to complete their requirements for graduation within four years. Students who extend their course work over a period longer than five years may be required to fulfill the graduation requirements of the catalog then current. Students who extend their course work over a period longer than eight years may be required to take examinations in their major field to assure their ability to continue.

All degrees, without exception, are awarded at the annual spring commencement. Students who finish all requirements for graduation in the fall will not receive a diploma until the annual spring commencement.

Specific requirements for graduation in the major field are listed under the departmental headings in the section describing the program of instruction. Candidates for a Bachelor of Arts or a Bachelor of Science Degree from Clearwater Christian College must have earned 128 credits with a grade point average of at least 2.00, with no grade lower than a C in major course requirements in their chosen major. Candidates for an Associate of Science Degree must have earned 68 credits with a grade point average of at least 2.00 (C average). Satisfactory performance on the Graduate Record Examination (GRE) Aptitude Test is a prerequisite to graduation for a Bachelor of Arts or a Bachelor of Science Degree.

The last year of work or the final 24 hours of credit must be taken in full-time study at Clearwater Christian College. In exception cases, special permission may be obtained from the Dean of the College.

financial information

GENERAL FINANCIAL INFORMATION

A substantial portion (more than 50%) of the actual cost of providing a college education at Clearwater Christian College is provided by friends and organizations who agree with the unique purposes of the college. Many of these contributions are made at considerable personal sacrifice out of love for the Lord Jesus Christ. Contributors consider their gifts an investment in the lives and ministries of the students who enroll. Charges in some of the categories listed below, therefore, do not nearly cover actual costs. All charges are kept as low as possible. Assuming a course load of 16 credit hours, the annual cost is \$2,978.00 for resident students and \$1,344.00 for commuting students. The beginning student will also have the \$15.00 application fee and a \$25.00 orientation fee the first semester only. Depending upon the courses which a student takes, books may add an additional \$50.00 to \$100.00 to these yearly totals. Because of economic conditions, the charges are necessarily subject to change at the beginning of a new semester.

The curricula of the college are approved by the State Department of Education for the training of Veterans. Approval is on a credit-hour basis. Students in attendance may also receive social security benefits where eligible.

Application Fee

Application fee (for all new students — non refundable) \$15.00

Matriculation Fee

The matriculation fee is required for resident and commuting students prior to coming on campus and is non refundable. (Second semester fee to be paid before registration.)

Matriculation fee per semester \$60.00

All returning students must pay the \$60.00 matriculation fee by July 15; after July 15, the fee will be \$75.00. For the second semester, the \$60.00 matriculation fee must be paid by December 1; after December 1, the fee will be \$75.00.

Tuition

Tuition per semester (\$39.00 cr. hr. × 16 hrs.) \$624.00
Full-time students (12 cr. hrs. or more) \$39.00 cr. hr.
Part-time student (11 cr. hrs.) \$42.00 cr. hr.

Room and Board Fees

Room and meals per semester (includes Fla. State tax) \$865.00

Special Fees

Graduate Record Examination Fee (required of all seniors) \$13.00
Graduation Fee (required of all seniors) \$20.00
Orientation Fee (residents & commuters) \$25.00

Late Registration Fee \$15.00
Transcript Fee \$2.00
Accident Insurance \$25.00

Fine Arts Fees

Full-time students are granted credit for College Choir without charge. Fees for applied music are determined at registration by the half-hour rate plus the credit-hour charge. Part-time students must pay the normal credit-hour tuition in addition to the fees for applied music.

Payment Procedure

- I. Pre-Registration — Payments due prior to registration for courses.
 - A. Application Fee (new students only)
Payment to be sent with application (non refundable) \$15.00
 - B. Room Deposit (Resident Students only)
Payment to be sent immediately after acceptance to reserve a room for the applicant \$25.00
 - C. Matriculation Fee (All students, non refundable)
Payment to be made prior to registration, before
July 15 (1st Sem.) or December 1 (2nd Sem.) \$60.00
after July 15 (1st Sem.) or after December (2nd Sem.) . . . \$75.00
 - D. Orientation Fee (all new students)
Payment on arrival to campus during orientation week \$25.00
- II. Registration
 - A. All tuition fees for courses (\$39.00 cr. hr. × 16 semester) \$624.00
 - B. All room and board fees (per semester) \$865.00
 - C. All fine arts fees \$80.00

Payments

Students are required to make arrangements for payment in full for semester charges at the beginning of the semester in order to be free from financial concern during the semester. Students who are unable to make payment in full at the beginning of the semester may pay on the installment plan according to the following schedule.

	Resident Students	Commuting Students
First Semester		
Registration	\$600.00	\$300.00
October (1st wk.)	300.00	150.00
November (1st wk.)	300.00	150.00
December (1st wk.)	Balance	Balance
Second Semester		
Registration	\$600.00	\$300.00
March (1st wk.)	300.00	150.00
April (1st wk.)	300.00	150.00
May (1st wk.)	Balance	Balance

Students who elect to pay on the installment plan must so notify the business office at the time of registration and agree to pay the installment charge of \$15.00 per semester. A \$5.00 penalty charge is assessed for late payment on any installment; however, installment payments may not be more than 30 days late. Students with delinquent accounts will be asked to leave school with no credit available financially or academically. Grades are withheld until accounts are settled in any semester.

Cafeteria

The cafeteria serves meals during school sessions, and by special arrangement during vacation periods. All dormitory students are required to eat their meals in the cafeteria. No meals may be cooked in dormitories. Meal charges for the semester are paid in advance at registration. No refunds can be made for meals for which the student is not present. Prices for room and board are reviewed and subject to change at the end of the semester.

Commuting students may pay cash for any individual meals in the cafeteria or may make arrangements with the business office to eat lunch on a regular basis.

The college is required to collect Florida Sales Tax on all meals served in the cafeteria.

Refund Policy

Both parent and student should be aware of the financial inadvisability of withdrawing from college before the end of any semester. If a student withdraws from college any time after registration, no refunds are given on the room, matriculation, or insurance fees. If the student withdraws before the end of the eighth full week of classes, the following percentages of **only the tuition, and meals are refunded**:

First Week - 90%	Fifth Week - 50%
Second Week - 80%	Sixth Week - 40%
Third Week - 70%	Seventh Week - 30%
Fourth Week - 60%	Eighth Week - 20%
After eight full weeks - no refund.	

Students attending under one of the Public Laws will have refunds made in accord with Veterans Administration regulations.

Refunds cannot be granted if (1) the student has attended eight weeks or more; (2) the student unofficially withdraws; (3) the student is dismissed as a result of disciplinary action; (4) the student drops a course after the last day for changes in the schedule; (5) the student fails to submit to exit interviews required by the college.

programs of instruction

DEGREES OFFERED

Two bachelor degrees are offered: a Bachelor of Arts and a Bachelor of Science. For both degrees, a minimum of 128 credits with a quality point average of 2.00 must be earned in order to graduate. Students are responsible for accounting of credits earned and for those remaining at any time to complete the requirements for a given degree. Students are urged to consult faculty advisors if any questions arise regarding deficiencies.

An Associate of Science degree is offered in the Education division and in the Career division. The Associate of Science degree requires 2 years of college work with a quality point average of 2.00.

The type of degree offered in the major area of concentration will be listed under the department in which the major is found.

Bachelor of Arts Degree

The following general requirements must be met by all candidates for the Bachelor of Arts Degree except as modified for particular majors:

Course	Credits
Bible (Including 101, 102, 103, 104, 106, 411, 412)	20
Introduction to Philosophy, 201	3
English ² 101, 102 and 211, 212, or 221, 222	12

History of Western Civilization, 121, 122	6
Social Studies (Including courses in sociology)	6
Additional courses in the major	30
General Electives ⁴	24
TOTAL	128

¹In addition to these courses, four elective credits in Bible are required. Students who wish additional Bible courses may select their general electives from this field, and by majoring in Bible may earn a total of sixty-three (63) credits.

²Students who fail to make a satisfactory score on the test given during orientation must meet the deficiency with a remedial course.

³Students who do not submit two years of language for entrance or who fail to pass the elementary language test will take the elementary course first.

⁴Number of required credits will depend upon major field of study.

Bachelor of Science Degree

The Bachelor of Science Degree is offered in Elementary and Secondary Education, Physical Education, Humanities, and Business Administration. Each education major will take a concentration of courses in his chosen field. Concurrently with the student's chosen field, he will also have minor in Bible.

The following general requirements must be met by all candidates for the Bachelor of Science Degree except as modified for particular majors:

Course	Credits
Bible ¹ (Including 101, 102, 103, 104, 106, 411, 412)	20

Additional courses in the major ³	30
Electives (Including Proficiency Requirements for Secondary Education Majors) ²	30
TOTAL	128

¹Students who wish additional Bible courses may select their general electives from this field.

²Students who fail to make satisfactory score on the test given during orientation must meet the deficiency with a remedial course.

³Number of required credits will depend upon major field of study.

Associate of Science Degree

Clearwater Christian College has developed two-year career oriented programs for students who do not choose to pursue the four-year degree programs.

The Teacher-Aide or Pre-School programs provide the requirements for the student to serve in either the Elementary School as an assistant to the teacher (Teacher Aide) or in Kindergarten, Nursery Schools, or Day Care Centers, guiding and supervising the activities of the Pre-School area.

Because of the demand of the Christian community, Clearwater Christian College has developed a two-year program in Police Administration for its students. This is a cooperative program with St. Petersburg Junior College in which all courses are taken at Clearwater Christian College except the Police Administration courses which are taken at St. Petersburg Junior College. An interview prior to enrollment in this program is required before registration.

Secretarial Science is our newest Associate of Science major. Because of the constant demand for additional secretaries in both Christian and secular environments, the need for Christian secretaries has mushroomed. CCC secretarial graduates will demonstrate the Christian character, the skill, and the knowledge necessary to successfully serve in tomorrow's marketplace.

DIVISIONS, DEPARTMENTS AND DEGREES

Clearwater Christian College seeks to offer both a broad and an in-depth education which is presented from a Christian perspective and which leads to either a Bachelor of Arts or Bachelor of Science Degree. The Associate in Science Degree program, lasting only two years, has limited breadth and depth.

The college falls into four divisions, each with its departments and their related courses. An Evening Bible Institute is also part of the college but not included within the below listed divisions.

I. Bible Division

- A. Department of Bible
Bachelor of Arts in Bible
- B. Department of Biblical Literature
Bachelor of Arts in Biblical Literature
- C. Department of Missions
Bachelor of Arts in Missions

II. Education Division

- A. Department of Teacher Education
 - 1. Associate of Science in Teacher Aide Education or Pre-School
 - *2. Bachelor of Science in Elementary Education
 - *3. Bachelor of Science in Secondary Education
- B. Department of Physical Education
Bachelor of Science in Physical Education

*Bachelor of Arts can be obtained in Education with the addition of the foreign language requirements to the Bachelor of Science requirements.

III. Arts and Sciences Division

- A. Department of Language and Literature
 - 1. Bachelor of Arts in English (or language)
 - 2. Bachelor of Science in English Education
 - 3. Bachelor of Science in Humanities
- B. Department of Music
 - 1. Bachelor of Arts in Music
 - 2. Bachelor of Science in Music Education
- C. Department of Social Sciences
 - 1. Bachelor of Arts in History (or Social Studies)
 - 2. Bachelor of Science in History Education (or Social Studies)
 - 3. Bachelor of Arts in Psychology of Christian Guidance
- D. Department of Science and Mathematics
Bachelor of Arts in Science or Math (cooperative arrangement)

IV. Career Division

- A. Department of Police Administration
Associate of Science (cooperative agreement)
- B. Department of Business
 - 1. Certificate (one year) in Secretarial Science
 - 2. Associate of Science in Secretarial Science
 - 3. Bachelor of Science in Business Administration

Evening Bible Institute

Certificate in Bible

BIBLE DIVISION

The Bible Division consists of: (1) the Department of Bible, which includes Bible and Christian Education courses, (2) the Department of Biblical Literature, which includes Philosophy and Ancient Language courses and, (3) the Department of Missions, which prepares the student for the mission field.

DEPARTMENT OF BIBLE

Mr. Spotts

Dr. A. Steele

Dr. Pardee

The courses in this department are offered to meet the general Bible requirements of the Bachelor of Arts Degree. A Major in Bible, with the texts in English, is designed for those intending to assist the local church, to work in missions, or as youth directors and Bible teachers.

Required courses in this Division for a Bible Major are:

- 14 credits in Greek* (Greek 101, 102, 201, 202)
- 5 credits in Christian Education (CE 111, 391, 392)
- 2 credits in Biblical Introduction - Old Testament

DEPARTMENT OF BIBLICAL LITERATURE

Dr. Oliver

Mr. Carver

The major in this department meets the requirements for a Bachelor of Arts Degree. A major in Biblical Literature is designed primarily for pre-theological students, with the use of, and an emphasis on, the texts in the original languages.

Required courses in this Division for a Biblical Literature Major are:

- 14 credits in Greek* (Greek 101, 102, 201, 202)
- 6 credits in Greek Text Studies
- 5 credits in Christian Education (C.E. 111, 391, 392)
- 2 credits in Septuagint
- 2 credits in Biblical Introduction - Old Testament
- 2 credits in Biblical Introduction - New Testament
- 2 credits in Comparative Religions
- 2 credits in Cults
- 2 credits in Bible electives

Required courses in other Divisions:

- 6 credits in Ancient History
- 6 credits in Church History

The Biblical Literature Major must meet all other requirements for a Bachelor of Arts Degree listed under Degrees Offered.

DEPARTMENT OF MISSIONS

Dr. Oliver, Coordinator

The missions major must meet all other requirements for a bachelor of arts degree as listed under degrees offered. The missions major course requirements are made up of Bible, a core of foundational missionary courses, and training/experience in at least five of the following proficiency areas. The amount of credit, training, or work experience necessary to satisfy the candidate's requirements in each proficiency area will be determined by the college registrar. The proficiency requirements are not intended to produce mastery in a given proficiency area, but rather to insure that the missions candidate has at least a modicum of knowledge and ability. For obvious reasons, all missionary candidates must take MI 304, First Aid.

Proficiency Areas:

1. Typing, MI 306
2. Bookkeeping, MI 307
3. Printing, MI 308
4. Masonry, MI 309
5. Carpentry, MI 310
6. Electrical, MI 311
7. Welding, MI 312

EDUCATION DIVISION

Included in the Education Division are the Department of Teacher Education and the Department of Physical Education.

DEPARTMENT OF TEACHER EDUCATION

Mr. Calnan

Dr. Godwin

Dr. Roberts

The rapid growth currently being experienced by the Christian school movement has created a critical need for teachers with a philosophy of education that is distinctively Christian and, at the same time, with a knowledge of the most up-to-date techniques available to the teaching profession. In order to meet this need Clearwater Christian College has developed teacher-training programs that achieve these objectives.

The Bachelor of Science Degree is offered in Elementary and Secondary Education. Each Secondary Education Major will take a concentration of courses in his chosen field (History Education, English Education, Physical Education, Music Education, and others) in addition to the program listed. Concurrently with the student's chosen field, he will also have a minor in Bible. A minimum of 128 credits with a quality point average of 2.00 must be earned for a Bachelor's degree. A Bachelor of Arts Degree can be obtained in Education by adding the foreign language requirements to the Bachelor of Science requirements.

A two-year Associate of Science Degree is also available for the Teacher-Aide Education or Pre-School Education program.

The majors in elementary and secondary education are designed to meet the published requirements for teacher certification by the State of Florida.

Upon completion of degree requirements, the student is eligible to apply for temporary teacher certification. Certificates are issued only by the Teacher Certification Section, Department of Education, Tallahassee, Florida 32304.

ARTS AND SCIENCES DIVISION

The Arts and Sciences Division consists of: (1) the Department of Language and Literature, (2) the Department of Music, (3) the Department of Social Sciences and (4) the Department of Science and Mathematics.

DEPARTMENT OF LANGUAGE AND LITERATURE

Mrs. Macfarlane

Miss Engel

Mrs. Werner

The Department of Language and Literature seeks to develop in the student the ability to think, write and speak clearly and effectively, and to understand, enjoy and evaluate literature by becoming acquainted with the works of the world's major writers and their social and intellectual backgrounds.

The major in English will be found especially profitable for students who expect to enter the Christian ministry, or who wish to become English teachers or librarians, or for those who choose it for a general humanities background for many business careers.

Instruction is offered at the elementary and intermediate levels of French and Spanish with attention given to the culture and literature of the respective peoples represented. Students presenting high school credit toward advanced status in a modern language are required to complete satisfactorily a placement test before such status will be granted.

A Bachelor of Arts Degree is offered in English, and a Bachelor of Science Degree is offered in English Education and in Humanities.

The general requirements for a Bachelor of Arts and a Bachelor of Science are located under Degrees Offered in the catalog.

Language Department requirements are:

- 3 credits in Advanced Composition,
- 5 credits in sophomore level literature (in addition to general requirements),
- 18 credits in literature above sophomore level, including 332, 334, 431, 495),
- 2 credits in Oral Interpretation.

Requirements in other departments:

- 3 credits in American or English history.

CAREER DIVISION

The career division consists of (1) the Department of Police Administration and (2) the Department of Business. The career-oriented programs of this division were developed to meet the needs of students who wish to pursue a Christian education and spread the gospel into the business world.

DEPARTMENT OF POLICE ADMINISTRATION

The program in Police Administration offers the student a broad background in the organization, management and operation of law enforcement agencies. Providing a Christian environment in which to study Police Administration, this two-year program leading to an Associate of Science Degree prepares the student:

1. to pursue a four-year program,
2. to attend the police academy, or
3. to seek immediate employment in various police offices in fingerprinting, records control, criminalistics, etc.

In order to secure a position as a police officer, the student will need preparation beyond that provided by the program outlined in this catalog.

This program is a co-operative agreement between Clearwater Christian College and St. Petersburg Junior College.

evening Bible institute

Jerry R. Lancaster, B.B.A., M.Div.
*Director of Evening Bible Institute
 Co-Pastor of Calvary Baptist Church
 Gulfport, Florida*

Sensing the need in the Tampa Bay area for an evening school to provide opportunity for church laymen to expand their Bible knowledge, the evening institute opened in September, 1976. Forty to fifty students attended classes during each of the first two years.

Classes are fifty minutes per period (10 minute breaks). All classes are held on Monday or Tuesday nights, three classes per evening, starting at 6:30 p.m., 7:30 p.m., 8:30 p.m. respectively. A class that meets on Monday does not meet on Tuesday. Students completing 33 hours of the three-year program will receive a Bible Institute Certificate and graduate along with the senior class of Clearwater Christian College.

There are no pre-educational requirements; transcripts, physical and college entrance exams are also not required. Students who audit courses are not required to read the textbook, take the exams, etc., but they also receive no credit toward a certificate. Arrangements can be made for transfer of credits from other schools.

There is a one-time enrollment fee of \$7.50 per student. If only one class is taken, the cost is only \$25.00 per semester. If more than one course is taken, the cost is an economical \$20.00 per course. These fees are designed to meet the layman's budget. Auditing is permitted, but at regular charges. Cost of textbooks is extra.

FORMS

APPLICATION PROCEDURE

Please follow instructions carefully and fill out the application form completely. It is important that the application and all supporting transcripts and reference forms be returned as soon as possible so that action may be taken by the admissions committee.

1. **APPLICATION** — Fill out all blanks as completely as possible. Be sure to sign and date it. If an item is unrelated to your situation, please put N.A. in the blank. Always use your exact legal name. Remember to attach a small recent photograph of yourself.
2. **APPLICATION FEE** — A non-refundable fee of \$15.00 must accompany this application. Make check or money order payable to Clearwater Christian College. Do not send currency. A receipt will be sent to you.
3. **CHARACTER REFERENCE** — Ask your pastor (or some other church official if your father is pastor) to complete the evaluation form. This evaluation of your Christian character must be mailed directly from the evaluator to our office.
4. **TRANSCRIPTS** — Request the principal or guidance counsellor of your high school to send a complete, official transcript of your work in grades 9-12 directly from the high school to our office. If you are a transfer student, request a complete, official transcript of your work be mailed to our office directly from the registrar of every institution of higher education which you have attended. Personal transcripts are unacceptable and should not be sent.
5. **ENTRANCE TEST INFORMATION** — Scores received on the ACT or SAT should be submitted to the Office of Admissions as a part of the high school transcript or directly from the headquarters of the testing agency. If you have taken any additional scholastic aptitude test, achievement test or similar standardized test, have the results sent directly to the Office of Admissions. (This applies to all applicants — both freshmen and transfers.)

.

The application and all supporting transcripts and reference forms must be in this office before final action can be taken by the admissions committee. A delay in the receipt of one of these documents will result in a delay in the action of the committee.

When submitting information, please address:

STANDARD OF CONDUCT

One of the objectives of Clearwater Christian College as stated in the catalog is to assist its students to mature in their Christian lives. With this conviction that the College is responsible for the spiritual development of its students, an attempt is made to create an atmosphere which will produce the desired effect. The daily chapel hour, Christian faculty and staff, Christian service activity, faithful worship in church on Sunday and a Biblical standard of conduct are all part of the total program.

To maintain this atmosphere and to present to the world a distinct Christian testimony, the College believes that it is necessary for all students to agree,

1 to accept the responsibility of mature citizenship which involves consideration of and respect for the personal happiness and property of other members of the local academic community, and

2 to abstain from worldly practices such as the use of alcohol and tobacco, participation in gambling and dances, and attendance at commercial theatres.

It is recognized that some students may not have personal convictions in regard to one or more of these activities. Agreeing to abide by the spirit and letter of the policy obligates the student, however, to honorable adherence until he withdraws from the College.

I hereby certify that I support the College in reaching its desired objectives and will willingly abide by the above standards and others as specified in the catalog and student handbook as long as I am a student at Clearwater Christian College.
